“We Hope to Share”

ONE OF OUR PRIVATE FREIGHT CARS

Our freight cars were built especially for us, to be used for the convenience of our customers. These cars have doors in the ends and are equipped with planks, which makes it very convenient to unload.

As soon as a vehicle is ready for shipment, it is put aboard one of the cars, the door is locked and the key mailed to the purchaser.

No. 867—SILVER GREY FUNERAL CAR

ELABORATE, EIGHT PILASTER DESIGN

BODY—Full elliptic both front and rear; heavy crown moulding, mosque top; carved side panels in heavy drapery design as cut shows and in front and doors to correspond; elaborately carved pilasters, base moulding, upper moulding, seat skirt and seat boot. Curved toe board with carved brackets. All carving hand carved from solid wood. Interior table polished natural finish with silver plated mountings. Large and convenient space below table. Small ventilating windows in front. Heavy steel rocker plates line bottom sill. Beveled edge French plate side glass. Interior top, sides, front and doors full mahogany panel work.

IRON WORK—Full coach gear, all wood portions of gear have carved scrolls and are strengthened by heavy iron plates; full 22-inch fifth wheel; $1\frac{3}{8}$ -inch improved Collinge axles, double nut; oil tempered Sweedes steel springs of open French head pattern with brass and rubber bushings.

WHEELS—Hand made with rock elm wood hubs, selected second growth hickory spokes and rims; first quality solid rubber tires.

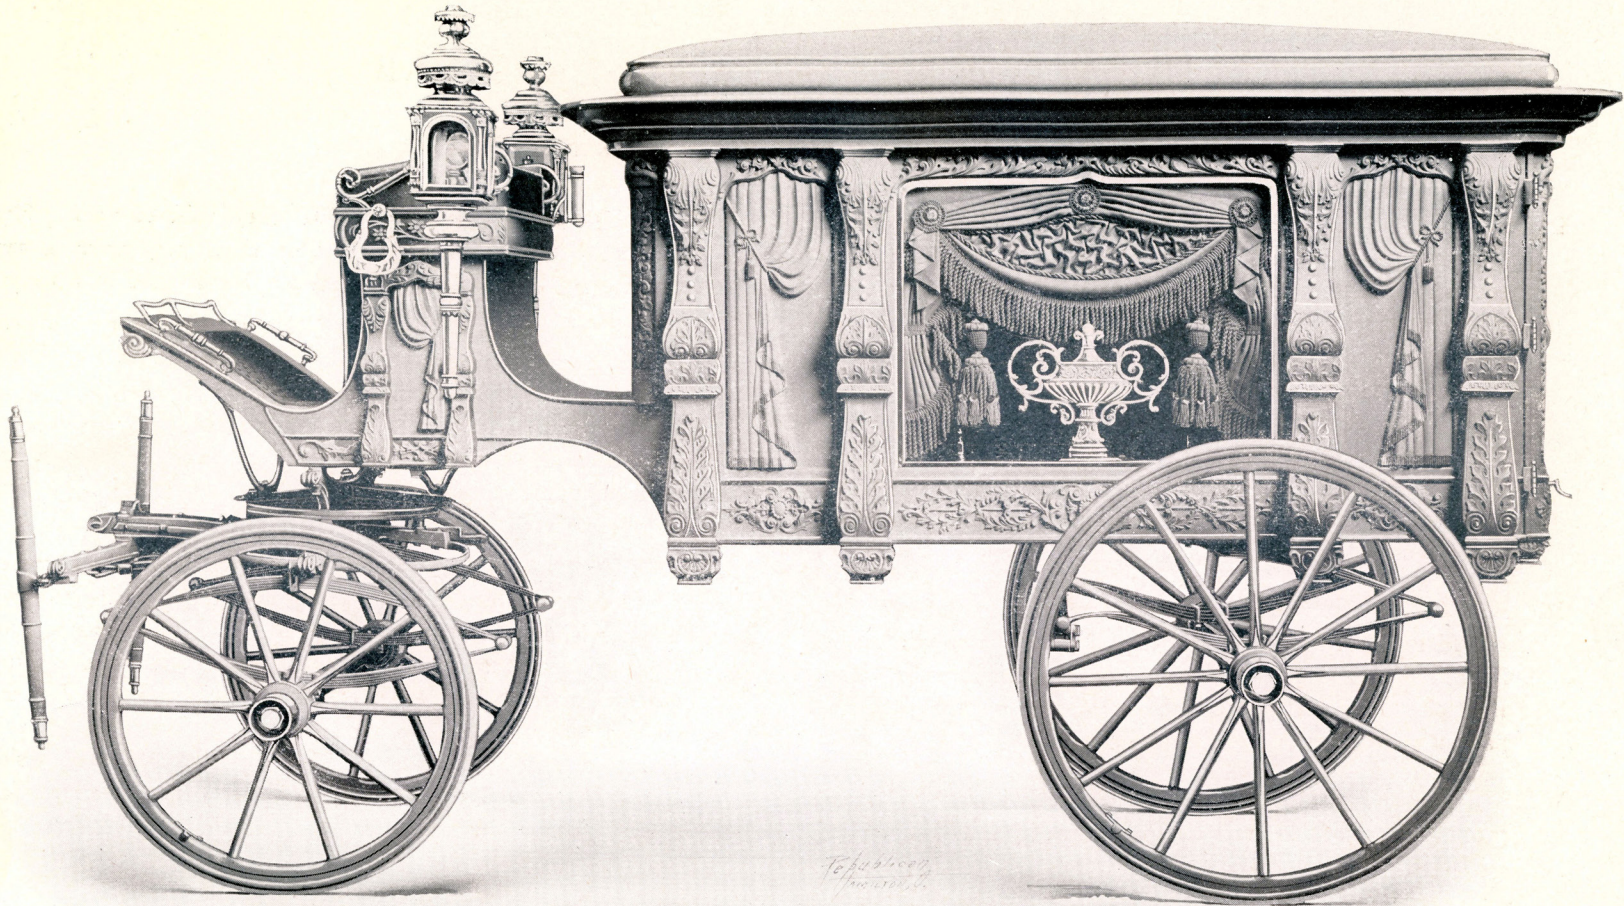

PAINTING—Warm tint French Silver grey, polished finish. Genuine gold leaf ornamentation. Our silver grey finish is very durable and will outlast any black finish ever used on a vehicle.

TRIMMINGS—Imported silver grey broadcloth draperies of very elaborate design finished with heavy cords, tassels and fringe. Extra full drop deadlight curtains also furnished if desired. Driver's seat silver grey leather cushion and fall. Rayed silver grey cloth interior trimming on doors, front, side panels and head lining may be substituted in place of mahogany panel work if so specified.

MOUNTINGS—Fine silver plated oil burning lamps. Complete silver plated mountings including pole crab, whiffletree tips, hub bands, axle caps, toe board handles, seat rails, seat handles, front window handle, door handle, door hinges, interior table mountings, rollers, table plates, bier pins, large rear roller and table ornaments.

Length over all, pole removed, 13 feet 9 inches. Length inside, 7 feet 8 inches. Door opening, 36 inches wide, 32 inches high. Height, 7 feet 1 inch.

Furnished complete with Padded Pole, Pole Straps, Wrench, Rubber Foot Mat,
Rubber Lap Apron and Lamp Covers.
